
ILLINOIS CTE Curriculum Revitalization (CR) Project Train-the-Trainer Session

Overview

This is a four-hour, hands-on training session on how to access and use the new CTE online curriculum and assessment tools available at no cost to all Illinois CTE teachers. The session focus is on the various options open to classroom teachers to manage the student E-Units and CSAT assessment data. Participants will receive the necessary training in order to conduct future training sessions for CTE teachers in their area.

Date, Time, and Location

March 9, 2010, from 4:00 P.M. until 8:00 P.M. at St. Charles East High School in St. Charles.

Stipend and Travel

A \$150 stipend will be paid to participants or their school district for substitute reimbursement.

**Please complete the information below if you are able to attend the training.
More details will be provided to you in advance of March 9.**
